## **GRUPO AVAL**

September, 2025

## DISCLAIMER

Grupo Aval Acciones y Valores S.A. (“Grupo Aval”) is an issuer of securities in Colombia and in the United States (“SEC”). As such, it is subject to compliance with securities regulation in Colombia and applicable U.S. securities regulation. Grupo Aval is also subject to the inspection and supervision of the Superintendency of Finance as holding company of the Aval financial conglomerate.

The consolidated financial information included in this document is presented in accordance with IFRS as currently issued by the IASB. Unconsolidated financial information of our subsidiaries and the Colombian banking system are presented in accordance with Colombian IFRS as reported the Superintendency of finance. Details of the calculations of non-IFRS measures such as ROAA and ROAE, among others, are explained when required in this report.

This report includes forward-looking statements. In some cases, you can identify these forward-looking statements by words such as “may,” “will,” “should,” “expects,” “plans,” “anticipates,” “believes,” “estimates,” “predicts,” “potential,” or “continue,” or the negative of these and other comparable words. Actual results and events may differ materially from those anticipated herein as a consequence of changes in general, economic and business conditions, changes in interest and currency rates and other risk described from time to time in our filings with the Registro Nacional de Valores y Emisores and the SEC.

Recipients of this document are responsible for the assessment and use of the information provided herein. Matters described in this presentation and our knowledge of them may change extensively and materially over time, but we expressly disclaim any obligation to review, update or correct the information provided in this report, including any forward looking statements, and do not intend to provide any update for such material developments prior to our next earnings report.

The content of this document and the figures included herein are intended to provide a summary of the subjects discussed rather than a comprehensive description.

When applicable, in this document we refer to billions as thousands of millions.

# WITH VISIBLE IMPACTS ON THE ENVIRONMENT AND SOCIAL VALUE CREATION (1/2)

## First meeting of the members of the Boards of Directors of Grupo Aval and its companies

- Presentation of Grupo Aval's strategy, challenges of the entities and role of board members.
- Networking opportunities.
- More than 130 members of the Group's Boards of Directors participated.

## Guidelines for Boards of Directors of Grupo Aval

We published the Guidelines establishing principles for good governance in Grupo Aval, including management, meetings, role of board members and evaluation.

## We have strengthened several policies, guidelines and codes of Grupo Aval:

- Corporate ESG Policy.
- Corporate Human Rights Policy.
- Personal Data Processing Policy.
- OSH policy.
- Corporate Policy of Guidelines on Tax Matters.
- Board of Directors' Regulations.
- Code of Ethics and Conduct.

We updated our double materiality assessment. This exercise involved the participation of 280 representatives from our stakeholder groups, considering 16 material topics for the organization, of which 10 were identified as priorities.

With ERM, we conducted a diagnosis of the TCFD adoption status in our entities and the Group.

## SUSTAINABLE MOBILITY INITIATIVES

**+5,700** employees benefited.
