DISCLAIMER

Grupo Aval Acciones y Valores S.A. (“Grupo Aval”) is an issuer of securities in Colombia and in the United States (“SEC”). As such, it is subject to compliance with securities regulation in Colombia and applicable U.S. securities regulation. Grupo Aval is also subject to the inspection and supervision of the Superintendency of Finance as holding company of the Aval financial conglomerate.

The consolidated financial information included in this document is presented in accordance with IFRS as currently issued by the IASB. Details of the calculations of non-IFRS measures such as ROAA and ROAE, among others, are explained when required in this report. On November 27, 2025, Banco de Bogotá’s subsidiary Multi Financial Holding, Inc. (“MFG”) entered into a share purchase agreement with BAC International Corporation (BIC), a subsidiary of BAC Holding International Corp., for the disposal of 99.57% of the issued and outstanding shares of Multi Financial Group Inc. (“MFG”), the parent company of Multibank, Inc. On March 18, 2026, after obtaining the required regulatory authorizations and fulfilling all agreed conditions precedent, the transaction was completed. For comparability purposes only, we have prepared and present supplemental unaudited pro forma financial information for the periods prior to 4Q25, which reflects the reclassification of the operations relating to MFG as non-current assets and liabilities held for sale and discontinued operations.

This supplemental unaudited pro forma financial information is not intended to represent, and should not be considered indicative of, the results of operations or financial position that would have been achieved had the transaction occurred on the dates assumed, nor is it intended to project our results of operations or financial position for any future period or date. The pro forma financial information is unaudited and the completion of the external audit for the year ended December 31, 2026, may result in adjustments to the unaudited pro forma financial information presented herein.

This report includes forward-looking statements. In some cases, you can identify these forward looking statements by words such as “may,” “will,” “should,” “expects,” “plans,” “anticipates,” “believes,” “estimates,” “predicts,” “potential,” or “continue,” or the negative of these and other comparable words. Actual results and events may differ materially from those anticipated herein as a consequence of changes in general, economic and business conditions, changes in interest and currency rates and other risks described from time to time in our filings with the Registro Nacional de Valores y Emisores and the SEC.

Recipients of this document are responsible for the assessment and use of the information provided herein. Matters described in this presentation and our knowledge of them may change extensively and materially over time, but we expressly disclaim any obligation to review, update or correct the information provided in this report, including any forward looking statements, and do not intend to provide any update for such material developments prior to our next earnings report. The Financial Statements of Grupo Aval Acciones y Valores S.A., in accordance with Colombian regulations, must be filed with the market and with the Superintendency of Finance with the opinion of an external auditor. At the time of this Solicitation, this process is still ongoing.

The content of this document and the figures included herein are intended to provide a summary of the subjects discussed rather than a comprehensive description.

When applicable, in this document we refer to billions as thousands of millions.

GRUPO AVAL STRATEGY (2026 -2031).

Our mission:

We support and transform businesses, creating opportunities, sustainable development, and long-term value for all our stakeholders

TECHNOLOGY & INNOVATION

Know and serve our customers better

Aval 360 turns every **interaction** into **insight**, enabling more relevant solutions and deeper customer relationships.

Through **Nexa**, we are **agentizing service calls** to improve **responsiveness, scalability** and **customer experience**

Modern and resilient cloud formation

Provides a **modern, resilient and scalable processing** platform. It raises **availability** and **operational resilience**, eliminates **infrastructure obsolescence** and is expected to generate **at least u200M** in efficiencies over the **next five years**.

Accelerate digital business

Enables Grupo Aval to **launch and scale digital products** faster. We are close to launching **payroll loans**, while **credit cards** and **personal loans** are already in execution, addressing the **transactional services of retail banking**

Turn data into real-time decisions

Uses data and analytics to improve **decision-making, risk management** and **capital allocation**. Its **first version** already covers **9 business dimensions** and integrates with **Augusta** to provide better visibility across **customer interactions**.

We are transforming into a real-time organization, with a portfolio of digitally native products and the customer always at the center: we build the capabilities, but our customers decide how, when and through which channel they engage with Grupo Aval.
