Investor Presentation

UBS - Global Emerging Markets Conference 2017

November 2017

Grupo Aval Acciones y Valores S.A. (“Grupo Aval”) is an issuer of securities in Colombia and the United States, registered with Colombia’s National Registry of Shares and Issuers (Registro Nacional de Valores y Emisores) and the United States Securities and Exchange Commission. As such, it is subject to the control of the Superintendency of Finance and compliance with applicable U.S. securities regulation as a “foreign private issuer” under Rule 405 of the U.S. Securities Act of 1933. Grupo Aval is not a financial institution and is not supervised or regulated as a financial institution in Colombia. This is a presentation of general background information about Grupo Aval Acciones y Valores S.A. and its subsidiaries (“Grupo Aval”), as of the date of the presentation. It is information in summary form and does not purport to be complete. No representation or warranty, express or implied, is made concerning, and no reliance should be placed on, the accuracy, fairness or completeness of this information. Recipients of this document are responsible for the assessment and use of the information provided herein. Grupo Aval will not have any obligation to update the information herein and shall not be responsible for any decision taken by investors in connection with this document. The content of this document is not intended to provide full disclosure on Grupo Aval or its affiliates.

This presentation may contain certain forward-looking statements and information relating to Grupo Aval that reflects the current views and/or expectations of Grupo Aval and its management with respect to its performance, business and future events. Forward looking statements include, without limitation, any statement that may predict, forecast, indicate or imply future results, performance or achievements, and may contain words like “believe,” “may,” “will,” “estimate,” “continue,” “anticipate,” “intend,” “expect” or any other words or phrases of similar meaning. Such statements are subject to a number of risks, uncertainties and assumptions. Estimates and forward-looking statements are mainly based on our current expectations and estimates on projections of future events and trends, which affect or may affect our businesses and results of operations. Factors that may cause actual results to differ materially from those expressed in the forward-looking statements in this presentation include, among others: changes in Colombian, Central American, regional and international business and economic, political or other conditions; developments affecting Colombian and international capital and financial markets; government regulation and tax matters and developments affecting our company and industry; increases in defaults by our customers; increases in goodwill impairment losses; decreases in deposits, customer loss or revenue loss; increases in provisions for contingent liabilities; our ability to sustain or improve our financial performance; increases in inflation rates; changes in interest rates which may, among other effects, adversely affect margins and the valuation of our treasury portfolio; decreases in the spread between investment yields and implied interest rates in annuities; movements in exchange rates; competition in the banking and financial services, credit card services, insurance, asset management, pension fund administration and related industries; adequacy of risk management procedures and credit, market and other risks of lending and investment activities; decreases in our level of capitalization; changes in market values of Colombian and Central American securities, particularly Colombian government securities; adverse legal or regulatory disputes or proceedings; internal security issues affecting countries where we will operate and natural disasters; loss of key members of our senior management; and other factors that may affect our financial condition, liquidity and results of operations.

Any forward-looking statement contained in this presentation reflects the current views of Grupo Aval with respect to future events, and it assumes no obligation to publicly update or revise these forward-looking statements for any reason, or to update the reasons why actual results could differ materially from those anticipated in these forward-looking statements, even if new information becomes available in the future, except as otherwise required by applicable law. The market and competitive position data, including market forecasts and statistical data, used throughout this presentation was obtained from internal surveys, market research, independent consultant reports, publicly available information, governmental agencies and industry publications. Although we have no reason to believe that any of this information or these reports are inaccurate in any material respect, we have not independently verified such data. Grupo Aval and its shareholders do not make any representation as to the accuracy of such information.

Balance sheet and statement of income data included in this presentation for the year ended December 31, 2013 and previous years, reflects unconsolidated or consolidated information under Colombian Banking GAAP or U.S. GAAP, as applicable. Consolidated Financial information of Grupo Aval for the years 2017, 2016, 2015 and 2014 has been prepared under IFRS as issued by IASB. Unconsolidated information of our subsidiaries, combined information of Grupo Aval and comparative disclosures of our financial and operating performance for the years 2017, 2016, 2015 and 2014 against that of our competitors in Colombia has been prepared under IFRS and Colombian Banking GAAP as applicable under Colombian regulations reported to the Superintendency of Finance. Comparative disclosures of our financial and operating performance against that of our competitors in Central America are based on public information available in each of the countries’ financial superintendency.

Because of our recent migration to IFRS and recent implementation of IFRS accounting principles, the unaudited consolidated financial information for the 2017, 2016, and the comparative information for the relevant consolidated periods of 2015 presented herein, may be subject to further amendments. Our banking subsidiaries report unconsolidated financial data to the Superintendency of Finance; however, Grupo Aval, as a holding company, is not required to report such unconsolidated data. Unless otherwise indicated or the context otherwise requires, market share and other data comparing our performance and that of our competitors reflects the unconsolidated results of our banking subsidiaries, Sociedad Administradora de Fondos de Pensiones y Cesantías Porvenir S.A. (“Porvenir”) and Corporación Financiera Colombiana S.A. (“Corficolombiana”). Aggregate or Combined data throughout this document pertaining to Grupo Aval reflects the summation of unconsolidated results of our banking subsidiaries. Grupo Aval has been granted the IR Recognition by the Colombian Securities Exchange (Bolsa de Valores de Colombia S.A). This is not a certification of the registered securities or the solvency of the issuer. Also, does not imply an opinion on the quality and accuracy of the content, it only denotes a verification of the existence of the information on the website of the issuer. When applicable, in this report we refer to billions as thousands of millions. Unless otherwise indicated, certain Colombian peso amounts are translated into U.S. dollars at the representative market rates as computed and certified by the Superintendency of Finance of Ps 2,936.67 as of September 30, 2017.

All figures were converted with the representative market rate as computed and certified by the Superintendency of Finance of Ps 2,936.67 as of September 30, 2017, to maintain comparability. ⁽¹⁾ Net income includes US\$71.1 billion, US\$61.8 billion and US\$25.1 billion of attributable wealth tax paid during 1Q15, 1Q16 and 1Q17 respectively.

Figures adjusting for one-time payment of attributable wealth tax of US\$71.1 billion, US\$61.8 billion and US\$25.1 billion for 2015, 2016 and 2017 respectively.

Grupo Aval's track record of consolidated results (2/2)

Net Interest Margin

NIM calculated as Net interest income divided by total average interest-earning assets (for 2014, 2015 and 2016 according to 20-F and for nine months total interest-earning assets at 4Q16, 1Q17, 2Q17 and 3Q17, divided by four)

Efficiency and Cost to Assets

Efficiency and Cost to assets: Calculated as operating expenses before depreciation and amortization divided by total operating income for efficiency and divided by average total assets (for 2014, 2015 and 2016 according to 20-F and for nine months total assets at 4Q16, 1Q17, 2Q17 and 3Q17, divided by four) for cost to assets. Both calculation exclude the full wealth tax from operating expenses

ROAA

Calculated as income before non-controlling interest divided by average (for 2014, 2015 and 2016 according to 20-F and for nine months total interest-earning assets at 4Q16, 1Q17, 2Q17 and 3Q17, divided by four).

Source: Company filings. ⁽¹⁾ Net Interest Income on Loans to Average loans and financial leases; ⁽²⁾ Net Interest income on fixed income securities, net trading income from equity and fixed income investment securities held for trading through profit and on interbank and overnight funds to Average securities and Interbank and overnight funds; ⁽³⁾ PDLs +90 days include interest accounts receivable.

Figures adjusting for one-time payment of attributable wealth tax of US\$71.1 billion, US\$61.8 billion and US\$25.1 billion (for net income and ROAE) and total wealth tax of US\$103.2 billion, US\$91.1 billion and US\$37.2 billion (for ROAA) for 2015, 2016 and 2017 respectively.

Fee Income Ratio

Fee Income ratio: net fee income divided by total operating income before net provisions excluding other operating income

Cost of Risk

Cost of Risk: Impairment loss net of recoveries of charged-off assets divided by Average gross loans excluding interbank and overnight funds (for 2014, 2015 and 2016 according to 20-F and for nine months total assets at 4Q16, 1Q17, 2Q17 and 3Q17, divided by four)

Charge-offs / Average Gross Loans

ROAE

Calculated as net income divided by average equity attributable to owners of the parent company (for 2014, 2015 and 2016 according to 20-F and for nine months equity attributable to owners of the parent company at 4Q16, 1Q17, 2Q17 and 3Q17, divided by four).
